Note: This Form is to be completed by property owners and returned to _____ County office for processing

County _____ Contact: _____, office phone (____) _____ - _____;
E-mail: _____; Physical address: _____, _____, _____, _____

Background

Heavy rainfall and high winds led to storm related activities during July of 2015. During the Recovery Period, _____ County forces, along with other governmental agencies and volunteers were involved in helping to remove, transport, and dispose of debris at numerous properties deemed vulnerable to adverse impacts from heavy rainfall and high winds at various areas across the County. Now the recovery process is continuing, _____ County is working with other governmental agencies, volunteers, and contractors to remove, transport, and dispose of the debris that remain on private property.

Overview of Debris Removal, Transport and Disposal Program

In the months of July and August of 2015, _____ County will be hiring contractors to remove debris from designated private properties, then transport and dispose of debris at prescribed locations.

Property owners will not be charged a fee for this debris removal work.

_____ County will only make arrangements to remove debris from properties – for which those owners have completed this Debris Removal Agreement Form. If property owners have not completed this Debris Removal Authorization and Agreement form, those properties will not be eligible for Debris Removal by _____ County forces.

To be considered eligible for this work, all Debris Removal Authorization and Agreement Forms must be submitted to the _____ County by _____, 2015.

Soon after reviewing all of the Debris Removal Authorization and Agreement Forms, County staff will establish Debris Pick-Up zones (e.g. Lake area _____, City Beach Area _____, and etc.) and work with Debris Removal Contractors to establish Debris Pickup/Removal timetables. County staff will contact property owners to inform them of the anticipated dates on which debris will be scheduled for removal from their property. All debris removal work will take place between 8:00 am and 7:00 pm on Monday through Friday, unless otherwise agreed upon by private property owners. Property owners will NOT be provided the opportunity to set specific dates/times for debris removal on their property, unless special circumstances require the property owner to be on site during sand bag removal.

By-products of the Debris Removal Work – Terms and Conditions (Hold Harmless)

As part of removing debris from private property, Debris Removal Contractors will use heavy equipment...e.g. skid steer, tractor backhoe, front end loader, etc. to travel between public road R/W and debris sites (beachfront, shoreline, etc). Damage to yards will likely take place as part of the debris removal process. There are NO provisions in this Debris Removal Authorization and Agreement Form for restoration of lawn, placing black dirt, repairing garden, planting grass seed, etc. Lawn and Turf restoration or related yard repairs, are NOT included in this work, and will be the sole responsibility of the property owner.

Purpose of this Form and Action Required by Private Property Owner (Right - of - Entry)

The purpose of this Debris Removal Authorization and Agreement Form is: 1) to confirm property owner’s request to have _____ County forces and/or designees access private property to remove debris for transport and disposal, and 2) to allow property owners to confirm their property address, and sign and date this form. This form need NOT be notarized.
